DISPLAY DEVICE & SYSTEM
FOR SPORT FAN'S

Sports • Fans • Events • Entertainment • Animation

Catalog Introduction

B.O.T is a high-visibility fan display system designed for events, fan zones, promotions, and brand activations. A modular and customizable solution that turns fans into moving brand displays — ideal for clubs, brands, national teams, and large-scale celebrations. Custom production available for logos, graphics, flags, and branded designs (subject to approval). Patent-protected and officially licensed, B.O.T delivers a unique, premium cheering experience.

Choose the B.O.T model that best suits your customers and their celebration needs.
